

HCMC FAMILY MEDICINE RESIDENCY PROGRAM

G2 & G3 Geriatrics

CURRICULUM ASSIGNMENTS

The resident must complete the following for successful completion of the Geriatrics curriculum:

1. Read the articles and/or chapters assigned for the particular block/rotation.
2. It is expected that the resident would have read *Geriatrics at Your Fingertips* by the end of the G3 year.
3. **SAMs: Care of the Vulnerable Elderly** (10-12 hours). Complete the knowledge assessment and the clinical simulations
 - Go to www.theabfm.org
 - Enter ID and password
 - Go to Self-Assessment modules; *Care of the Vulnerable Adult*
4. **SMILES FOR LIFE CURRICULUM** (Geriatric Oral Care)
 - Use the following link to access the curriculum:
<http://www.smilesforlifeoralhealth.org/default.aspx?tut=555&pagekey=62948&s1=2223377>
 - Register on the website using your name, email address and your AAFP ID number. Review the subject material. Do the 2 cases. Do the assessment at the end. When you get 80% on the examination, upload the summary page into RMS Portfolios. Copy the review page on the website after you have completed your exam. Upload to the appropriate area on the RMS Portfolios. **You need to pass the module to pass the rotation.**
 - Oral Health Module and Assessment
 - Geriatric Oral Care (Geriatrics)
 - Review the instructional modules on Smiles for Life curriculum
 - Do the Assessment at the end of the module: Adult Oral health
