**Structure of Rotation**

Resident will be scheduled for one week of night float during the block (the resident is excused from Wednesday Core Conference during night float week) with one ½ day clinic per week (with the exception of the night float week). The resident will attend core conference at WHC Wednesday mornings and return to responsibilities scheduled in the PM.

**Teaching Method**

- Direct patient care of ICU patients
- Teaching during patient rounds
- Intensive lectures / conferences
- Independent reading
- Procedural learning (see above list)

**Assessment Method**

- Completion of rotation evaluation by supervising ICU faculty

**Level of Supervision**

- Residents are supervised by senior Internal Medicine residents, ICU fellows and ICU faculty in compliance with departmental policy
