

HCMC FAMILY MEDICINE RESIDENCY PROGRAM

G2 Pediatrics-Adolescent (Peds 2.2)

ROTATION INFORMATION AND LOGISTICS

Rotation Description

G3 residents rotate through a variety of clinical experiences in Adolescent Medicine and Pediatric subspecialties. Didactics are provided through direct interaction with faculty adolescent medical presentations. Residents are scheduled in Aqui Para Ti at WHC, and for pediatric pulmonary patients with Dr. Brottman at HCMC, and with Dr. Erickson at PCY Arts and Tech HS.
