

HCMC FAMILY MEDICINE RESIDENCY PROGRAM

G2 Emergency Medicine / Emergency Care

ROTATION INFORMATION AND LOGISTICS

Rotation Description

Emergency Department: G2 residents rotate in the HCMC Emergency Department. They function as a G2 throughout the emergency department. They participate in a didactic curriculum and attend conferences.

Rotation Information and Contacts

Family Medicine Faculty Lead	Kim Petersen MD
Rotation Faculty Lead	Marc Martel, MD
Coordinator	Mary Hirschboeck: 612-873-5645
Emergency Contact	Nancy Newkumet: 612-873-4908
Site	HCMC
Call	Shift Work
Continuity Clinic at Family Medical Center	3 clinics per week + 1 nursing home
Vacation/CME	Allowed

Rotation Structure 8/2014

	Sun	Mon	Tues	Wed	Thurs	Fri	Sat
AM				Core Conf.	ED Conf		
PM				WHC clinic			
Evening				WHC Clinic			

G2 FM residents will be scheduled into Wednesday Core Conference and Wednesday PM and Evening clinics every week. You will need to check your schedule to see if there is a third clinic day besides Wednesday. Residents will be scheduled into clinic around ED shifts. Residents should attend the Thursday morning ED conference when not scheduled into clinic or go over their duty hours.

Shift schedules are emailed to the resident prior to the start of the rotation. It is the resident's responsibility to check their Emergency Medicine shift schedule to their WHC schedule for any conflicts and notify the FM coordinator right away.

Educational Content of Rotation
